

Morrison's Pastry Grandpa's Original Yogurt Muffins

Great Taste: Morrison's Pastry yogurt muffins have a deliciously moist texture and only the finest ingredients are used.

Labor Savings: Grandpa's Original Thaw and Serve yogurt bakery products are oven baked, then frozen before shipping so they arrive as fresh and irresistible as when they came out of the oven.

Enticing Appearance: Attract attention and enhance the image of your establishment. These fine baked muffins enhance the appeal of hotels, gourmet shops and cafés.

Long Shelf Life: Morrison's Pastry yogurt base gives their muffins a long shelf life and remain soft and moist for days in displays.

The Right Price: Morrison's Pastry products are used by the best hotels, coffee houses and food services. The quality satisfies the most upscale clientele, yet the price suits all food establishments and allows for great profit margins.

Cinnamon Rolls are made with a rich, buttery dough, and a Korintji cinnamon blend, then covered with a mouth-watering cinnamon flavored glaze and topped with icing.
