

GENERAL CLEANERS

Phantom Cleaner Degreaser

RDI#28906
Case Pack: 4 – 1 gallon bottles per case
Heavy duty, low foaming, all-purpose cleaner degreaser that is highly effective on all types and degrees of soil, and in all water hardness conditions. High-performance, all-purpose formula increases efficiency by saving you time and money by using only one cleaner instead of numerous products. Safe to use on the most difficult areas to the most delicate including walls and painted surfaces, ovens, fryers, kitchen and bathroom surfaces, general cleaning, and all types of flooring (asphalt, vinyl tile, linoleum, rubber congoileum, composition, terrazzo, marble, magnesite, concrete, and cement floors).

Liberator Cleaner & Degreaser

RDI#28907
Case Pack: 4 – 1 gallon bottles per case
Concentrated, heavy duty, low foaming, cleaner degreaser that is highly effective on all types and degrees of soil, and in all water hardness conditions. High-performance formula cleans and deodorizes in one easy step. Lemon scented for deodorizing hard surfaces. Safe to use on the most difficult areas to the most delicate including ovens, fryers, kitchen and bathroom surfaces, general cleaning, and many types of flooring (ceramic, quarry tile, resilient tile, vinyl composition tile, asphalt tile, and rubber, concrete, and cement floors).

Mighty Mo Oven & Grill Cleaner

RDI#28908
Case Pack: 4 – 1 gallon bottles per case
Powerful and efficient oven and grill cleaner that quickly and easily removes even the toughest encrusted and baked on grease, carbon, and food from ovens, stove tops and burners, griddles, and deep fryers.

Roaring Meg Oven & Grill Cleaner

RDI#28909
Case Pack: 4 – 1 gallon bottles per case
Heavy duty and efficient oven and grill cleaner that quickly and easily removes even the toughest encrusted and baked on grease, carbon, and food from ovens, stove tops and burners, griddles, and deep fryers.

Alligator Non-Acid Bowl Cleaner

RDI#28910
Case Pack: 12 – 1 quart bottles per case
One-step EPA registered cleaner disinfectant that provides superior disinfection, virucidal, non-food contact sanitizing, fungicidal, and mildewstatic performance. Completely sanitizes & deodorizes. Inhibits the growth of mold and mildews and their odors on hard non-porous surfaces. Excellent non-acid toilet bowl disinfectant and cleaner to remove tough hard water stains and controls odor.

AUTOMATIC DISH MACHINE CHEMICALS

Hard Charger Non-Phosphate Dish Machine Detergent

RDI#28544

Case Pack: 4 – 8 lb. solid jars per case

Extra strength, 100% active solid detergent for use in both high temperature and low temperature dish machines. Delivers one-pass clean dishes, crystal clear glassware, and spotless silverware. High performance soil suspension agents and water conditioners combat challenging water conditions delivering spot-free, complete rinsing while preventing lime deposits on dish machine interiors. Features an easy-to-grip molded handle and compact packaging that reduces storage.

Double Time Chlorinated Dish Machine Detergent

RDI#28895

Case Pack: 5 gallon pail (translucent container)

Premium, highly alkaline liquid dishwashing detergent designed for use with automatic liquid dispensing equipment. Easily tackles tough greasy soils under heavy soil conditions and delivers superior performance at all levels of water hardness. Contains controlled release chlorine for superior stain removal on utensils and dishware. Liquid concentrated for maximum cost savings. Not recommended for use on aluminum.

Brass Knuckles Metal-Safe Dish Machine Detergent

RDI#28900

Case Pack: 4 – 1 gallon bottles per case (translucent container)

Powerful, metal-safe liquid machine dishwashing product that saves you time and water and increases warewashing efficiency by allowing you to clean a wide variety of dishes in one cycle. Removes and emulsifies soils for sparkling clean dishware in low temperature, energy-efficient dishwashing machines. Manufactured with special alkaline builders, sequestrants, buffering agents, and deflocculants for superior effectiveness under heavy soil load conditions in soft to medium hard water.

Marching Fire High Temp Dish Machine Rinse

RDI#28897 Case Pack: 4 – 1 gallon bottles per case (translucent container)

RDI#28896 Case Pack: 5 gallon pail (translucent container)

Economical, specially formulated drying agent designed to prevent spotting and streaking in high temp dish machines by reducing the surface tension of water. Eliminates costly rewashing, accelerates drying, and delivers spotless, streak-free brilliant shine. Helps to control mineral deposits left by hard water and food soils caused from rapid evaporation at high temperatures. Can be used on soft to medium water hardness conditions.

Squared Away Low Temp Dish Machine Rinse

RDI#28899 Case Pack: 4 – 1 gallon bottles per case (translucent container)

RDI#28898 Case Pack: 5 gallon pail (translucent container)

Specially formulated, economical drying agent designed to prevent spotting and streaking in low temp, energy-efficient dish machines. Excellent reduction of surface tension of water helps eliminate alkaline and hard water fill deposits from kitchen items. Eliminates costly rewashing, accelerates drying, and delivers spotless, streak-free brilliant shine. Can be used on soft to medium water hardness conditions.

Overwatch Dish Machine Sanitizer

RDI#28902 Case Pack: 4 – 1 gallon bottles per case (translucent container)

RDI#28901 Case Pack: 5 gallon pail (translucent container)

Optimized EPA registered dish machine sanitizer that delivers maximum sanitation to ensure your dishes are clean and safe to use. Aids in stain removal and buffered for extra stability. Use as a sanitizing agent in the last rinse operation of a low temperature dish machine.

MANUAL DISH MACHINE CHEMICALS

Active Duty Pot and Pan Detergent

RDI#28903

Case Pack: 4 – 1 gallon bottles per case (translucent container)

Safe on hands, tough on soils. Specially formulated pink liquid hand dish detergent that quickly cuts through grease and baked on food, yet is soft and gentle to hands. Heavy duty, concentrated formula for superior grease removal and streak-free rinsing for brilliant shine.

Front Line Manual Liquid Pot and Pan Detergent

RDI#28904 Case Pack: 4 – 1 gallon bottles per case (translucent container)

RDI#28905 Case Pack: 5 gallon pail (translucent container)

Economical green liquid dishwashing detergent that quickly emulsifies oil and baked on grease. High performance, concentrated formula perfect for heavy duty degreasing and cleaning of excessively soiled kitchen items. Highly effective in all water temperatures and degrees of hardness.
