

# COLD AND FLU SEASON is coming. ARE YOU PREPARED?

KEEPING HANDS CLEAN HELPS PREVENT ILLNESS AT WORK, SCHOOL AND HOME

Up to **80%** of all infections are transmitted by hands.<sup>1</sup>

## Help Prevent Illness and Absenteeism

GOJO has conducted multiple outcome studies to scientifically prove that a program including GOJO® hand soaps, PURELL® hand sanitizer, and state-of-the-art dispensing will reduce illness and absenteeism across a wide range of real world settings.

“Keeping hands clean is one of the best ways to prevent the spread of infection and illness.”<sup>2</sup>

— Centers for Disease Control and Prevention
